DETAILED ACTION

Response to Amendment

The amendment filed on March 29, 2006, has been fully acknowledged by the Examiner. In view of this amendment, the objections to the drawing and the specification concerning the title are withdrawn.

Allowable Subject Matter

Claims 1 and 2 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: As to claim 1, the prior art of record, taken alone or in combination, fails to disclose or render obvious an aberration measuring method for an optical system utilizing a step of setting a numerical aperture for the optical system to be greater than the maximum operational numerical aperture for the optical system, in combination with the rest of the limitations of claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
